Codification Chapter IV, A. Administration, Section 8 – Conflict of Interest be amended as follows:

8.1 Purpose.

The purpose of these standards is to provide safeguards to members of the Board of Directors of the American Contract Bridge League (the “League”) from: (1) using their Board positions for purposes that are, or give the appearance of being, motivated by a desire for private financial gain for themselves or others such as those with whom they have family, business or other ties; (2) using their Board positions for purposes that are, or give the appearance of being, motivated by a desire to support a non-financial interest for themselves or others such as those with whom they have family, business or other ties; (3) violating their duty to the League by inappropriately disclosing confidential information about the League, and (4) any other acts which may constitute, or may appear to constitute, a conflict of interest.

This policy is intended to supplement but not replace the League's Bylaws and applicable state and federal laws governing conflicts of interest.

...

8.3 Non-Financial Interest. A "Non-Financial Interest" shall be defined as an interest, not involving financial gain, which might lead an independent observer reasonably to question whether a Board member's actions or decisions in connection with the League are influenced by considerations of such outside interest. However, at the request of a majority of the Board, they may be invited to make a brief presentation to the Board or to answer questions for the Board.

Notwithstanding the foregoing, if a Non-Financial Interest has been created by service with an ACBL-related charity or foundation or other bridge related organization such as the NABF, WBF, USBF, CBF or FMB, that person may not vote on matters giving rise to the conflict but the other restrictions in the preceding paragraph shall not apply.

APPEALS & CHARGES COMMITTEE

Stephani (C)

Carman, Janicki, C. Jones, Levy, J. Smith, Vilhauer

Staff: Dunn/Gordon

192-01: Report on Hearings

- The Appeals and Charges Committee reviewed the matter of Ralph Herz pursuant to CDR 7.2.6. Mr. Herz was disciplined for violation of CDR 3.20 for an Ethical Violation and given 30-days' probation by the Unit 174 Disciplinary Committee. According to the Hearing Report, Mr. Herz was also suspended from his club for 60 days. The committee reviewed the record and, although some Committee members felt that the discipline might have been lighter than they would have recommended, the Committee decided that the Unit Disciplinary Committee had handled the matter appropriately. Accordingly, the committee unanimously determines that Unit Disciplinary Committee decision is AFFIRMED.

- The committee reviewed the matter of Richard Golman pursuant to CDR 7.2.6. Mr. Golman was disciplined for violation of CDR 3.20 for an Ethical Violation and given a two-year suspension, ending on May 7, 2021, by the Unit 221 Disciplinary Committee. In addition, the Unit Disciplinary Committee removed all Mr. Golmon’s masterpoints and titles earned in the 12 months prior to February 2019. The Appeals and Charges committee reviewed the record presented to them, including the evidence presented to and the reasoning employed by the Unit Disciplinary Committee. The committee unanimously determines that Unit Disciplinary Committee decision is AFFIRMED.
- The committee considered the request for readmission of expelled member Kevin Lewis. Mr. Lewis was expelled from the ACBL by a prior Appeals and Charges Committee in November 2005, effective November 18, 2005. Mr. Lewis, who had recently played in several club games while expelled, professed to not be aware that he had been expelled, indicating that he did not recall receiving the November 2005 Notice of Decision. Furthermore, he stated that he was unaware that he was petitioning for readmission; rather he wanted permission to play at his local club and some tournaments. The committee, however, necessarily reviewed this matter as a request for readmission.

Mr. Lewis apologized for his past actions, represented that he is a different person today, and promised that he would comport himself differently if readmitted. ACBL management opposed readmission, arguing that Mr. Lewis had a chequered disciplinary history with the ACBL and had not taken responsibility for his actions. The committee reviewed and discussed the record and the arguments made for and against readmission. Following that discussion, the committee, by a vote of six FOR and one ABSTAINING, recommends that Mr. Lewis be readmitted to the ACBL (i.e., be allowed to apply for membership), with a mandatory minimum probation of 5 years imposed under CDR 10.2.2(c).

The CDR places the final decision for readmission requests with the ACBL Board of Directors, so the Appeals and Charges Committee requests ratification of its determination in this matter.

Carried Nay: 8, 13, 14, 15, 25

Item 192-03: Vacating Title Resolution

Resolution on Players Convicted of Collusive and/or Premeditated Cheating

Whereas August 22, 2015 is the date that changed the history of ethics and fair play in bridge, Boye Brogeland having publicly declared that day that a cloud of cheating and breach of the principles of fair play hung over the game at its highest level;

Whereas national and international bridge organizations of various stripes and squares have struggled to address the aftermath of that day, proceeding against players alleged to have violated these norms with varying degrees of satisfaction;

Whereas the American Contract Bridge League (ACBL) has not been immune to these developments, having first responded in November 2015 and now acknowledging that response as inadequate to the bridge crimes committed;

Whereas the ACBL vacated NABC+ titles won only by persons convicted of cheating in ACBL events, and not in events of other bridge organizations, and then only for 4 years prior to the conviction in question; and

Whereas the ACBL now adorns its most prestigious Championships with the names of players who stand disgraced in the eyes of the bridge world; now, therefore, be it

Resolved, that the ACBL:

1. expresses our thanks to the countless bridge players who worked to expose illicit signaling systems and other means of cheating;
2. recognizes that the players convicted of such methods have caused irreparable harm to our great game, and publicly condemns their actions as inimical to the fundamental principles of the fair play of bridge;
3. seeks to become a global leader in purging its events of collusive and/or premeditated cheating and responding justly and fairly to results obtained through such methods;
4. notwithstanding CDR 4.1.8, strips all NABC+ titles and second place finishes from any player partnership, each of whom has, from the date of August 22, 2015 onward, been (1) expelled from the ACBL for any reason; (2) resigned for the purpose of avoiding possible disciplinary actions; or (3) are currently suspended for ethical violations;
5. notwithstanding CDR 4.1.8, recognizes that any such expulsion, resignation, or suspension may be due to participation in either an ACBL-sanctioned event or that of another bridge organization;
6. strips any NABC+ titles and second place finishes held by such pairs, or by teams including such pairs, to the first date of any recorded partnership of those pairs in the ACBL;
7. directs that, for NABC+ event titles and second place finishes vacated by this Resolution, such titles and second place finishes shall remain and be recorded in official ACBL records as "Vacated."

Carried Nay: 2, 6, 9, 11, 17, 23, 24

Item 192-04: Collusive Cheaters

Section 10.2.4 of the Code of Disciplinary Regulations shall be amended as follows:

Notwithstanding the preceding provisions of Section 10.2, the ACBL Board of Directors will not hear, and ACBL Management hereby is instructed not to forward to the Board, any request for

readmission of a member who was expelled for premeditated collusive cheating in any ACBL sanctioned event, or who resigned his membership for the purpose of avoiding possible disciplinary actions concerning premeditated collusive cheating in such events, or combination of such expulsion or resignation. Such a former member may never be readmitted to Membership in the ACBL nor participate in any ACBL sanctioned events.
